**19<sup>th</sup> Czech-Polish Workshop on  
RECENT GEODYNAMICS OF CENTRAL EUROPE**

Hradec nad Moravicí, Czech Republic  
October 25 - 27<sup>th</sup>, 2018

The Institute of Geodesy of the Brno University of Technology, Czech Republic, in collaboration with the Institute of Geodesy and Geoinformatics of the Wrocław University of Environmental and Life Sciences, Poland and the Institute of Rock Structure and Mechanics, Czech Academy of Sciences, are pleased to extend an invitation to the **19<sup>th</sup> Workshop on Recent Geodynamics of the Central Europe**.

You are invited to contribute to the success of this workshop, which provides a unique opportunity to present your results of research in the field of Neotectonics and the Recent geodynamics of the Central European area. We expect to present the latest views on the recent geodynamics in this area and a fruitful exchange of knowledge, to foster new friendships and to explore the potential of further scientific cooperation.
