

REGISTRATION FORM

14th Czech-Polish Workshop ON RECENT GEODYNAMICS OF THE SUDETY MTS. AND ADJACENT AREAS

Jarnołtówek, Poland
October 21-23, 2013

Name and surname: F M

Affiliation:

Full address:

E-mail:

Phone:

Fax:

Title of the paper(s):

Topic field:

Accommodation booking:

Oct. 20 *	Oct. 21	Oct. 22
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

* Reservation is possible and requires additional payment.

Place and date:

Signature:

Registration fee in PLN (INCLUDING VAT):

	before Sept. 20	after Sept. 20
participant	1100 PLN	1200 PLN
student	750 PLN	800 PLN

Fee includes: attendance at the scientific program, field session, abstract book, coffee refreshments during sessions, accommodation and food costs in the hotel from lunch October 21 till lunch October 23.

The fee payments must be transferred to the

Uniwersytet Przyrodniczy we Wrocławiu
Bank PKO BP S.A. Wrocław
IBAN: **PL62 1020 5242 0000 2102 0029 2045**
with postscript: **"249-18, Name and Last name"**.

and a copy of the payment to the Workshop L.O.C. The bank charges have to be covered by the participants.

EDITORIAL INSTRUCTIONS FOR ABSTRACT PREPARATION

- Paper size: A4
- Margins: left – 3 cm, top, right and bottom – 2,5 cm
- Title: bold capital letters, Times New Roman 14 (centered), leave one line empty
- Names of the authors: Times New Roman 12 (centered), underline the name of the presenting author and leave two lines empty
- Text: 12 points Times New Roman, single space, justified left and right

Abstracts should be written in English in MS Word. All texts submitted must be error free and camera-ready form. Abstracts must be kindly submitted by e-mail to the Organizing Committee **no later than September 26, 2013.**

A lecture room will be equipped with multimedia projector. Requests for additional equipment should be indicated as a part of the submittal information of the abstract.

ORGANIZING COMMITTEE:

of the 14th Czech-Polish Workshop ON RECENT GEODYNAMICS OF THE SUDETY MTS. AND ADJACENT AREAS

Jarnołtówek, Poland
October 21-23, 2013

INVITATION

The Institute of Geodesy and Geoinformatics, Wrocław University of Environmental and Life Sciences in a collaboration with the Institute of Rock Structure and Mechanics, Academy of Sciences of the Czech Republic, v.v.i., and the Commission of the Geodynamics of the Committee of Geodesy of the Polish Academy of Sciences are pleased to extend an invitation to the 14th Workshop on Recent Geodynamics of the Sudeten and Adjacent Areas that will be held in Jarnołtówek, Poland, on October 21-23, 2013.

You are hereby invited to contribute your papers to this Workshop, which will be a unique chance to benefit from its scientific programme, to have a fruitful exchange of knowledge, to foster new friendships and to explore the potential of further scientific collaboration.

VENUE AND DATE

The Workshop will be held in Jarnołtówek on October 21-23, 2013. Jarnołtówek is located in southern part of Opole Province, 24 kilometers from Nysa. It is located in Opawskie Mountains which is a mountain range in the Eastern Sudetes in the Czech Republic and Poland. The Polish part of the range includes the protected area known as Opawskie Mountains Landscape Park. Area is one of most tectonically active region of Poland, many of research of seismic activity have been made in that region. In Nysa (one of the oldest town in Silesia) many of interesting monuments are located: St Jacobs and Agnes Church, Church bell Tower, Bishop's Palace, Tower Gates and many others. Nearby of Nysa two reservoirs are located: Nyskie Lake with 2 kilometers long and 20 meters high dam and Otmuchowskie Lake. Nearby Jarnołtówek villages Prudnik and Głucholazy are located. In Prudnik many of interesting objects are located: market square with its medieval character, Town Hall, Baroque set of sculptures, Gate Tower from 1481, Wok tower from 1262 and church of Saint Michael the Archangel from 1321.

SCIENTIFIC PROGRAMME AND PRELIMINARY TIME SCHEDULE

The scientific programme of the 14th Workshop proceeds the topics of the thirteen previous Workshops organized in 1998, 2000, 2001, 2002, 2003, 2004, 2005, 2007, 2008, 2009, 2010, 2011 and 2012. It is focused on the topics concerning the recent mobility of the Sudeten and adjacent geological units:

- Geodesy — crustal movements, GPS observations, precise levelling, gravity, InSAR technique, the Earth shape
- Geology — neotectonics, neo-volcanology, geomorphology, remote sensing, brittle tectonics
- Geophysics — seismology, stress and strain fields, geomagnetism, geoelectricity, heat flow.

Monday, October 21

10:00 a.m. – 1:00 p.m. – registration

2:00 p.m. – 7:30 p.m. – opening ceremony, lectures

Tuesday, October 22

8:30 a.m. – 1:00 p.m. – field session

2:00 p.m. – 7:00 p.m. – lectures

Wednesday, October 23

8:45 a.m. – 12:00 a.m. – lectures

0.00 p.m. – 1.00 p.m. – closing ceremony

Accepted papers will be published in an international multidisciplinary journal *Acta Geodynamica et Geomaterialia* (<http://www.irsm.cas.cz>).

Programme of the field session:

The main aim of the field session will be visiting the most interesting places in Nysa and its surroundings. The participants of the workshop will visit Nysa Lake dam and Nysa old town (including museum).

ACCOMMODATION

Accommodation for all participants of the Workshop will be arranged in the hotel located in Jarnołtówek. Double and triple bed rooms equipped with a bathroom are reserved. There are free parking spaces. Participants requesting to share a room with certain colleagues, announce kindly their names to L.O.C.

OFFICIAL LANGUAGES

The official languages of lectures of the Workshop will be English, Czech, Polish and Slovak. The abstract book and papers will be published in English.

REGISTRATION

All participants and lecturers attending the Workshop must be registered. Registration is possible online, by mail or by e-mail till October 1, 2013.
